## LICENSE AGREEMENT

*(To be signed and submitted along with the manuscript)*

I, the undersigned author, hereby declare on behalf of myself and my co-authors (if any), that:

**1. Originality and Exclusivity**

The submitted article is an original work and does not infringe upon any existing copyrights or the rights of any third party.

**2. Authorship and Authority**

I/we are the sole author(s) of the article and possess the full authority to enter into this license agreement. Granting publication rights to *RASĀYAN Journal of Chemistry (RJC)* does not violate any prior or current agreements.

**3. Content Legality and Ethics**

The article does not contain any material that is unlawful, defamatory, or otherwise in violation of any applicable laws or ethical standards. It adheres to the ethical and publishing policies of *RASĀYAN Journal of Chemistry*.

**4. Scientific Accuracy**

I/we affirm that all statements, data, methods, and results included in the article are factually accurate and scientifically valid.

**5. License for Use**

I/we grant to *RASĀYAN Journal of Chemistry* and its publisher a non-exclusive, irrevocable, worldwide license to:

- Edit, reproduce, distribute, display, and publish the article in any format (print, electronic, or other media).
- Create derivative works or adaptations.

**6. Liability Disclaimer**

I/we understand and accept that neither *RASĀYAN Journal of Chemistry*, its Publisher, Editors, staff, nor its Editorial Board shall bear any responsibility or liability for:

- Any injury, damage, or loss to persons or property arising from the use of information or products described in the article.
- Any product liability or negligence related to methods, materials, or opinions expressed in the publication.

## COPYRIGHT TRANSFER

*(To be signed and submitted along with the manuscript)*

In consideration of the acceptance of the above work for publication in *RASĀYAN Journal of Chemistry*, the author(s) hereby transfer and assign to *RASĀYAN Journal of Chemistry* and its Publisher all copyright ownership in the submitted work, including but not limited to the rights to reproduce, distribute, publicly display, and adapt the material in whole or in part, in any form (print, digital, or electronic), worldwide and in perpetuity.

This transfer is made to ensure the widest possible dissemination of the work and to provide legal protection against unauthorized use or infringement.

### **Terms and Conditions of Use:**

This copyright transfer is granted under the following conditions:

- a. **Attribution:** The original author(s) must be **properly credited** in all uses of the work.
- b. **Licensing Clarity:** In the event of reuse or redistribution by third parties, the conditions of the license must be made **explicit** to the user.
- c. **Author Consent for Exceptions:** Any deviations from the above conditions may be permitted only with the **written consent** of the author(s).

*Note: RASĀYAN Journal of Chemistry and its Publisher do not claim any proprietary rights other than copyright ownership of the published material.*

### **Author Certification and Signature**

I hereby declare that I am authorized to sign this agreement on behalf of myself and my co-authors (if any), and that I/we have not altered the content of this official document provided by *RASĀYAN Journal of Chemistry* and its Publisher.
